# Containment Feeding Workshop

*With Hamish Dickson*

*AgriPartner Consulting*

**Piednippie Hall**

**Thursday 14 December 2017**

**Registration at 7.30 am for breakfast – 9:00 am start**

## Topics

- **Introduction** to containment areas and feedlots; purpose/benefits/considerations
- **Design** and construction of best practice facilities
- **Management** and nutrition of stock in containment, including induction and exit
- **Costs** and profitability of using containment areas and feedlots
- **Marketing your stock** Includes a Farmers forum where local farmers speak about their experiences, tips and trials.

These sessions are all about getting answers for your own enterprises. It's also a good opportunity to see what others are doing and how this might fit into your own sheep management plans for the coming months.

**REGISTER NOW** – Call Cathy on **0428 128 684** or email [cathy.paterson@sa.gov.au](mailto:cathy.paterson@sa.gov.au)

*Registrations close Monday 11 December 2017*

Supported by the Eyre Peninsula Natural Resources Management Board and Primary Industries and Regions SA
