Containment Feeding Workshop

With Hamish Dickson

AgriPartner Consulting

Warrambo Sports Club
Wednesday 13th December 2017

Registration at 7.30 am for breakfast – 9:00 am start

Topics

- **Introduction** to containment areas and feedlots; purpose/benefits/considerations
- **Design** and construction of best practice facilities
- **Management** and nutrition of stock in containment, including induction and exit
- **Costs** and profitability of using containment areas and feedlots
- **Marketing your stock** Includes a Farmers forum where local farmers speak about their experiences, tips and trials.

These sessions are all about getting answers for your own enterprises. It's also a good opportunity to see what others are doing and how this might fit into your own sheep management plans for the coming months.

REGISTER NOW – Call Cathy on **0428 128 684** or email cathy.paterson@sa.gov.au

Registrations close Monday 11 December 2017

Supported by the Eyre Peninsula Natural Resources Management Board and Primary Industries and Regions SA
