

# Containment Feeding Workshop

With *Hamish Dickson*

**AgriPartner Consulting**

**At Kimba Council Chambers**

**Tuesday 12<sup>th</sup> December 2017**

**Registration at 8:45 am for 9:00 am - 2:00 pm**

**~ FREE EVENT ~**

## Topics

- **Introduction** to containment areas and feedlots; purpose/benefits/considerations
- **Design** and construction of best practice facilities
- **Management** and nutrition of stock in containment, including induction and exit
- **Costs** and profitability of using containment areas and feedlots

Includes a Farmers forum where local farmers speak about their experiences, tips and trials and a visit to a containment feed lot at 1004 Drekurmi Rd Kimba.

**These sessions are all about getting answers for your own enterprises.**

**It's also a good opportunity to see what others are doing and how this might fit into your own sheep management plans for the coming months.**

**Morning tea and Lunch provided**

**REGISTER NOW** - Call Mary on **0407 187 878** or  
email [mary.crawford@sa.gov.au](mailto:mary.crawford@sa.gov.au) Registrations close Wednesday 6th December 2017.
