

LIMESTONE COAST LAMB FORUM

Friday July 15 from 1pm-5pm at the Naracoorte Golf Club

LAMB PRODUCTION. CAN WE DO IT BETTER?

Lisa Warne - Profitability of different production systems

Lisa is an experienced researcher and consultant on all aspects of lamb production.

Hamish Dickson- When and how to feedlot lambs successfully.

Hamish is recognised Australia wide for his knowledge in this area.

Dave Kleeman - Ewe efficiency.

Dave spent over 30 years investigating aspects of ewe efficiency at Turrettfield research centre.

Paul Fitzsimmons- What determines the price you get for your lambskins.

Paul has spent a lifetime involved in all aspects of skin trading.

John Mossop, Todd Woodard and Colin Earl - Alternative production systems.

Light refreshments and discussion with the speakers will complete the day.

Rsvp by text or phone to Colin Earl on 0428647457

MultiMeat Ewes and Lambs
